

# Leaf vault

Information and application form

## Leaf vault

This granite and sandstone memorial provides the opportunity to place ashes within a vault located at the base of a tree in the Garden of Remembrance at the crematorium.

The ashes are placed into a purpose-made container and this is then placed inside the vault. A granite leaf shaped plaque is secured to the top of the vault to ensure the ashes are safe and secure.

Vaults are available for one or two sets of ashes. Please state your preference.

Leaf vaults are dedicated for a period of 5 or 10 years. At the end of the lease term a reminder will be sent to your last known address inviting you to continue the dedication if you so wish.
