

# Memorial kerb

Information and application form

## Memorial kerb

Memorial kerb stones have been laid in the grounds of South Lincolnshire Crematorium and surround the Autumn, Winter, Spring and Summer scattering lawns of the Gardens of Remembrance.

This will provide a memorial facility to commemorate loved ones whose ashes have been laid to rest here. Black granite plaques inscribed with a gold colour inscription are mounted on the kerb, which also incorporates a vase for cut flowers.

Kerb stones and plaques are dedicated for a period of 10, 20 or 30 years. At the end of the lease term a reminder will be sent to your last known address inviting you to continue the dedication if you so wish.
